

IS THE BIBLE TRUE & HOW DO YOU KNOW?

OUTLIER UNIVERSITY at The Road at Chapel Hills

Ron J. Lint, Certified Apologetics Instructor

WHAT'S THE PROBLEM: *When Christians are asked why they believe the Bible is true, the answer is often: Well, I just have faith. Well, so do Muslims have faith that the Quran is true; so do Mormons believe that the Book of Mormon is true; so do Hindus believe that the Vedas are true. To answer with "I just have faith" is not helpful to the one asking. We, as Christians, need to know specifically why the Bible is true; we must be able to answer that question with logic and reason. Faith is based on TRUTH, logic and reason, not on blind belief (the Apostles were fearful and had lost faith after the crucifixion of Christ – and then the Risen Christ appeared to them in the upper room).*

If the Bible is NOT TRUE, INERRANT and the WORD OF GOD, then the Bible is Errant. If the Bible is Errant, we then have no foundation for our beliefs and faith. We must resolve this issue in our hearts and our MINDS.

In this semester course, we will do a systematic study of Why the Bible is True (see next page). We will have guest speakers; we will have extensive class participation, and we will leave with a simple list of specific reasons as to why the Bible is the True & Inerrant "God-Breathed" Word of God.

CHRISTIANITY ON TRIAL: *At the end of our semester, we are planning on putting Christianity on Trial in our Class. We will have two practicing attorneys and an actual judge to perform the trial. The class will be the jury. We will ask various class members to be witnesses – on both sides of the issue.*

*Come and join this exciting class and help us come to the TRUTH OF GOD'S WORD. **WE NEED YOU!!***
