Dear Ron:

I want to thank you for your excellent teaching at Chaplain University held at College of the Ozarks in Branson, Missouri in September of 2011.

In review of the evaluations, Ron your topics on: **Is the Bible True?**, **Up From the Dead He Arose**, **Are there Contradictions in the Bible?**, **The Problem of Evil and Faith is a Verb** we found an excellent response to your training from our evaluation forms turned by the students. Your presentations were well researched (you were, as you know, were teaching to pastors, chaplains and theologians who have PhD and ThD's.) The handouts you presented were well designed as well as your PowerPoint presentations; in other words, your work was excellent.

Because of your teaching, our chaplains have the skills to bring into focus the love and opportunity of Jesus Christ to those who don't know Him. You have brought the skills of teaching eternity and for that we are grateful.

I would recommend your training to anyone who is willing to learn and listen.

Blessings in His name
