Dear Christine:

Thank you for teaching, **The Anchor Holds**, to the wives of our resort chaplains at Chaplain University, held on the campus of College of the Ozarks in September of 2011.

In reviewing the evaluations the response to your teaching was well received and accepted. Your presentation was well thought out and presented in a professional manner.

The participants you so willingly taught have much to share as they present the topics you brought into complete focus.

You have a way of presenting sensitive and timely topics in a way of compassion, sensitivity, direction and love. Thank you for your commitment to teach and willingness to place your Christianity on the line.

I would recommend your training to anyone who is willing to learn and listen.

Blessings in His name
